

## *Greetings Dog Lovers!!*

The Grace Street Dog Park Committee is proud to announce that the city of Greenwood now has its first dog park! The park opened on Oct 4, 2014, and improvements are being made as funding becomes available. Funding for all aspects of the park comes solely from private donations. Imagine a safe, comfortable, and exciting park for all dogs and their owners to enjoy quality time together and a place to meet other dog enthusiasts in the community. What a wonderful venue to bring us all closer together!

Thanks to a generous donation of \$25,000 from SPF North America, Inc., we have been able to construct the fencing and open the park. Water fountains, for the dogs and people, have recently been installed. This is a great start, but the community needs your help! Our goal is to create a park that will not only be a wonderful environment for the dogs, but also for the pet parents and folks who just want to hang out and watch the dogs play.

The funds generated through local business and personal donations will be used to purchase additional necessities and state-of-the-art equipment that will enhance the functionality of the park. We will purchase benches for inside and outside of the play areas, additional waste stations, picnic tables which will be placed in an area where pet parents and spectators can socialize while watching their dogs play, and equipment for a separate agility area.

The enclosed ***Grace Street Dog Park Equipment Sponsorship Form*** can be used to purchase a bench and/or picnic table to show your generous contribution to the park. An engraved dedication plaque can be placed on the bench or table.

**With your generous donation, the Grace Street Dog Park will be one of Greenwood's most prized and attractive features for the entire community to enjoy.**

Please help us make the Greenwood County Grace Street Dog Park a reality!

Sincerely,

The Grace Street Dog Park Committee

## Grace Street Dog Park Equipment Sponsorship Form

Thank you for contributing to Greenwood's **Grace Street Dog Park**. Through your generous support equipment will be permanently placed in the park for generations of visitors to enjoy.

Benches & Tables will be cedar colored planks on black frames and legs, all made from recycled materials and benches will be permanently ground-mounted. They will be placed throughout the Reflection Grove and all four areas of the Dog Park. If you have a request for a particular location, please feel free to make that notation in the comments. We will do our best to honor your wish.

**Choose all of the ways below that you wish to provide support as one of our Parks People!**
